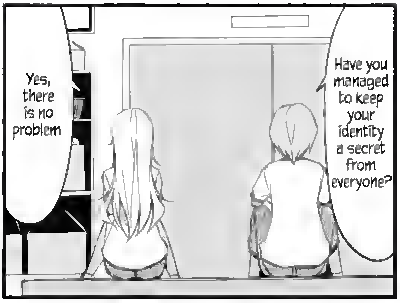
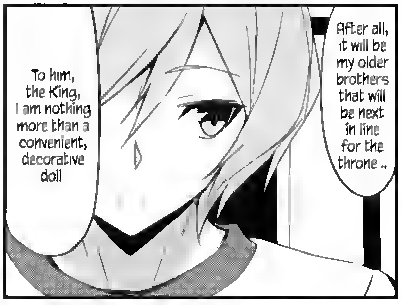
The possibility of someone coming to help us during the lunch break...
Jeez, I knew the door was left open
Uh oh, that's not good!
CHIK
They're in that kind of relationship after all...!?
Sakurada-kun and Angelica-san aren't here. Could it be they're having lunch together alone!?
What's wrong, chairman?
...Eh?
Wait for meeee.
C'mon, lunch is gonna be over if we don't hurry.

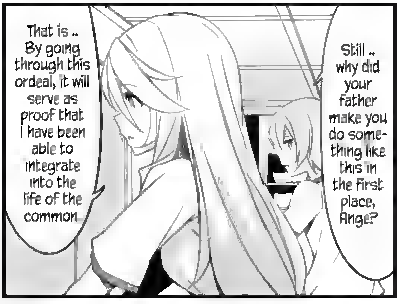
To this very day, I have lived according to only the things he has decided for me.
My studying abroad is no different



Have you managed to keep your identity a secret from everyone?
Yes, there is no problem

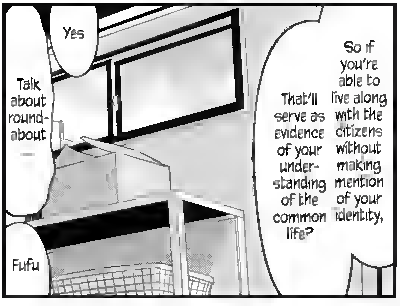


After all, it will be my older brothers that will be next in line for the throne..
To him, the King, I am nothing more than a convenient, decorative doll



Still.. why did your father make you do something like this in the first place, Ange?
That is.. By going through this ordeal, it will serve as proof that I have been able to integrate into the life of the common

Indeed. This trip was merely decided by him on a whim.



So if you're able to live along with the citizens without making mention of your identity,
That'll serve as evidence of your understanding of the common life?
Yes
Talk about round-about
Fufu

It is a challenge issued by my father
As if declaring, "Can you, ignorant of the world, see this through to the end?"

I doubt my father expects anything of me, however
Huh?

Then you've already broken past the first gate.
Well, look at it this way.
If you're looking to change... If you're trying to move foward,
"As if a doll like you could do it," he would say...
He does not think I will be able to complete this task.
FWIP
.. So the probability isn't zero
But that is exactly why... In order to affirm that I am not my father's doll,
.....
Ange.
And that "I am who I am," I cannot lose.
.....
Say some-thing, please.
I am who I am... huh...?

The possibility of Ange wetting herself before help arrives is...
Wait, wait! Uhh, what should I do!?

...?
Haa... Haa...

Just calm down. First, let's confirm it with her!
...Wait, that's not it!!

She's acting kind of weird!!
What's wrong!?

SPLATTER
A-Ange? Could it be... you need to use... the restroom...?

Not to mention she's fidgeting... Wait, don't tell me...
Don't tell me... She's holding down the area below her stomach...

...!!
ANGE!?

It better not be because she needs to use the restroom, right!?

.....
Ange!? Hang in there!
.....
I need to get us out of here quick!
Hey, hey, what happened to her!?
The probability isn't...
The possibility of tackling the door open is 003%...!
The possibility of someone coming to help within three minutes of me shouting out loud is... 07%...! Not good!
SL

Ahh, I knew they were in here.
MISAKI!!!!

I'm sorry, Akane-senpai, it's all because I wasn't with them...
But at least things didn't turn out for the worst.

Jeez. I heard you collapsed, so I flew over here straight from college...

I apologize for making you worry, Ayase-san
Haruka was with her, so it's no big deal

See what happens when you skip your breakfast?
SHE REALLY DID FLY OVER

That aside, he didn't do anything weird to you in that closed off room, did he?

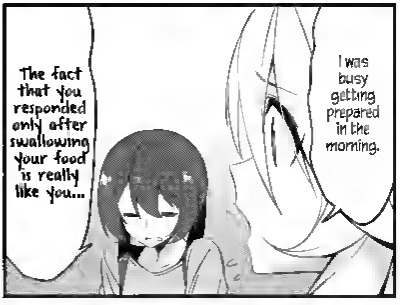
...WHAT DO YOU MEAN BY "ANYTHING WEIRD?"



The fact that you responded only after swallowing your food is really like you...
I was busy getting prepared in the morning.
